Miltonians Association.

SUNDAY 6 MARCH

0900 - 1300
Playoffs and Finals at City Baths

1315 onwards
Prize giving and Lunch at Old Miltonians
Association.

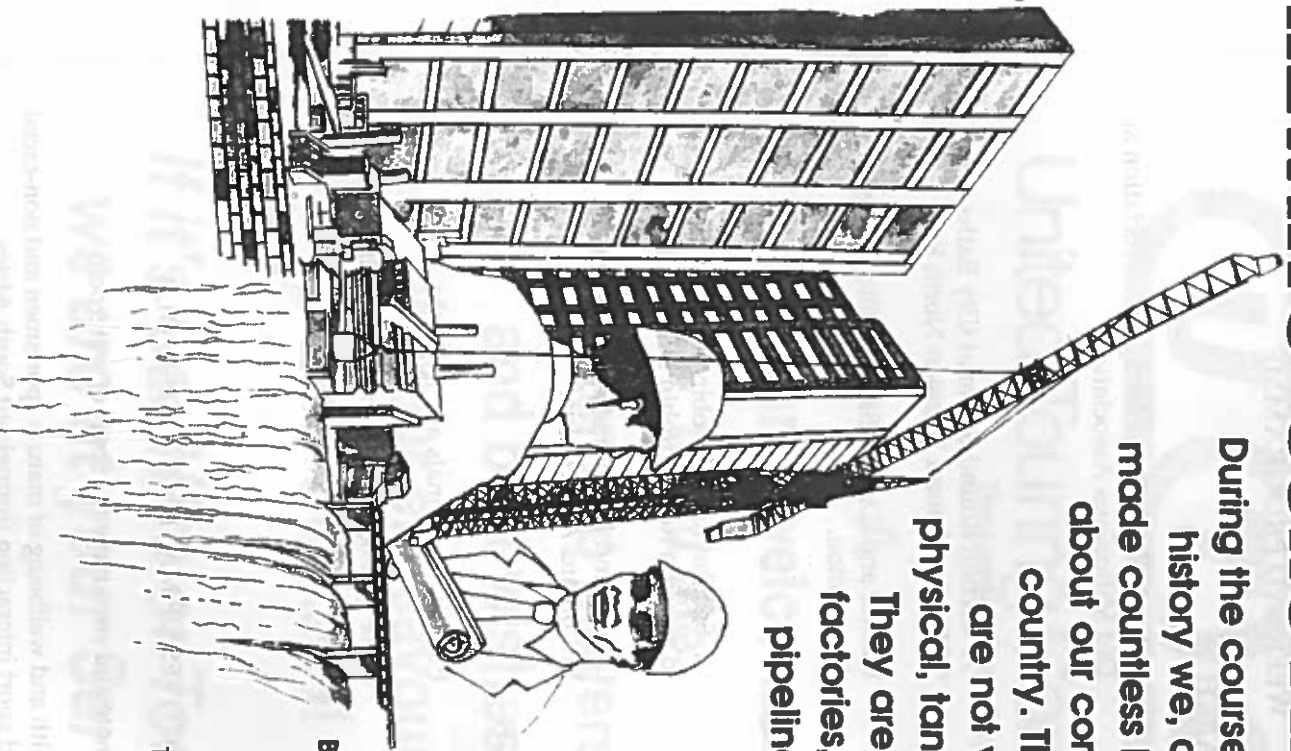

OBJECTIVES OF MASTERS WATERPOLO

To promote and encourage the sport of waterpolo.

To promote the health and wellbeing of mature sportsmen and non-racial
social and sport interaction throughout South Africa.

ALWAYS CONSTRUCTIVE

During the course of Zimbabwe's history we, at Unicem, have made countless bold statements about our commitment to the country. These statements are not verbal. They are physical, tangible, concrete. They are houses, offices, factories, dams, bridges, pipelines and high-rise buildings.

Building for the future...

MESSAGE FROM THE PRESIDENT

As South Africa throws off its pariah mantle, sporting contact with the world has been re-established, allowing us this opportunity to travel to Bulawayo.

Last year saw the largest contingent ever of water-polo players leaving our shores, when over one hundred players and hangers-on travelled to Perth for the Australian Masters Games. With the World Masters Games in Brisbane in October this year, and the Australian Masters Games in Melbourne in April 1995, we have opportunities to play at international levels as never before.

Brendan and his merry band have spent a year organizing this event, which promises to be the best to date. Let's remember that we are visitors to this country - our conduct here lays the foundation for tours in the future.

I take this opportunity of thanking our hosts for the hard work that they have put into this event. Enjoy the Tournament - and may the spirit of good fellowship which is the hallmark of our Association prevail.

John Wells
President.

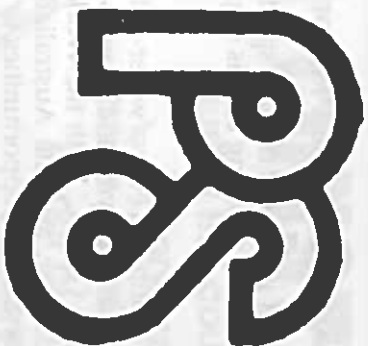

MESSAGE FROM THE ZIMBABWE MASTERS WATERPOLO ASSOCIATION

We are extremely proud to be hosting the 1994 Tournament in Bulawayo. Our whole Committee have worked extremely hard to hopefully make this Tournament a resounding success both on the Waterpolo front and on the social side.

We welcome all the visiting teams, especially the Croatian team, and thank them for their effort in making the trip to Bulawayo.

As always, no Tournament of this nature would be possible without sponsorship and the support we have had from the Bulawayo Business fraternity has been overwhelming, for which we are most grateful.

Finally, thank you to everyone on the Committee for all their time and effort in organizing the Tournament, and from us all - we wish you a happy and enjoyable stay in Bulawayo.

REFEREES

Zimbabwe Waterpolo Board of Control and Visiting Officials

Welcome to all Players
and Participants in the
1994 Masters Waterpolo
Tournament.

May your stay be a
pleasant one!

Bulawayo Sun Hotel

Josiah Tongogara/Tenth Avenue, P.O. Box 654,
Bulawayo, Zimbabwe.
Telephone: 60101 Telex: 3242 Telegrams: "Bulsun" L***

RULES OF THE TOURNAMENT

There are numerous fixtures to be played and it is imperative that games start on time. Missed games will be played after the last game of the day.

Players must be over thirty (30) years of age and not be playing representative waterpolo at provincial level. The average age of each team will be calculated on the youngest seven players in the team. A handicap of one per two years difference in the average age of teams will be applied.

All games will consist of two periods of 7 minutes each, with a one minute break. Two points will be awarded for a win and one to each team for a tie. However in the event of a tie in the Playoff sections, the result shall be decided by penalties. Each team will have three attempts and if after this they are still tied, each team will have alternating penalty attempts on a "sudden death" basis.

At the completion of the Round Robin section, should two or more teams have the same points score within a section, positions will be decided by a goal average, i.e. "goals for" divided by "goals against".

Telephone (263-9) 45352

Masters Waterpolo, like most good ideas, began in the midst (*should that be mist?*) of many cold lagers during the celebrations of the ex-Zimbabwe team's second division win in 1988. It was decided that Cape Town provided the most suitable venue, apart from Forties they also had a short course pool in close proximity to numerous refreshment centres. Invitations were sent out to the Transvaal, Northern Transvaal and Eastern Transvaal and a tournament was born.

From that initial tournament, with six sides competing, Masters has progressed to provinces hosting up to 28 teams. This certainly to the delight of the breweries and the manufacturers of liver repair medications.

Whilst Committees have been formed to administer the sport, the over-riding rule has been, and will hopefully continue to be, that the sport is being played for the love of the game and the camaraderie it engenders, as such, teams are put together because it is their choice, not for the sole intent on leaving with a trophy.

It is pleasing to note that Masters players and provinces have already started to pay back the sport, numerous players are coaching and financial aid has in some instances been forthcoming to the youngsters in need.

Hard-working products for hard-working people.

Barco's wide range of speciality
products are ideal for farmers

A farmer uses an amazing number of different products
throughout his varied day. Barco manufactures and
supplies a wide range of hard-working formulations to
cater for many of the farmer's needs:

from degreasers to disinfectants - detergents to derusting
solutions - engine cleaners, hand cleaners, floor cleaners
and even creosote-

Barco's range is extremely diverse and is packaged in
varying sizes to provide maximum practicality and
economical prices.

Next time you're in Harare, come in and see us. We're in
Hood Road, just off the Highfield (Tobacco Sales Floors)
Road.
