### MESSAGE FROM THE PRESIDENT

It is my honour and privilege to welcome all delegates, officials and players to our Annual General Meeting and Masters Tournament and I would like to wish you all a great Tournament.

It is with concern that I have noticed that there is a lot of internal differences amongst individual provinces, which is unfortunately affecting the spirit of Masters. It would be nice if this could be sorted out amongst clubs and not allowed to affect the annual highlight of the Waterpolo season for many dedicated Waterpolo players. Let us bring the true spirit of Masters back and play the sport for the sport.

My sincere thanks and congratulations to Eastern Province for a very successful tournament held in Port Elizabeth last year. Congratulations also to the winners of the various categories, but beware, there is strong competition this year!

My thanks to Transvaal for all the effort put into organising this Tournament and obtaining such great sponsorship. May your efforts pay off and may this be the best Tournament yet. A big word of thanks to all the sponsors, without whose generosity no Tournament can really be a great success. Thanks to the Greater Germiston Local Council for allowing us the use of the facilities and also congratulating them on such excellent facilities.

Lastly, thanks to all the dedicated players who made an effort to attend Masters and wishing each and everyone a very successful Tournament. Let us all make this Tournament the one to be remembered as the Tournament where the Spirit of Masters was restored to the magnitude it should be. Once again, have a great Masters Tournament!

**DEX KENNEDY**

7. Current International or Provincial 'A' players are eligible only for the over 30's category no matter what their age is.

### MORE ON THE LIGHTER SIDE

A humble crab fell into love with Princess Lobster and she with him. They enjoyed an idyllic relationship but one day Princess Lobster came to Crab in floods of tears saying that King Lobster would not let her see Crab anymore.

"But why?" Gasped the humble crab.  
"Daddy says that crabs are too common," sobbed the princess.  
"You're a lower class of crustacean, and anyway, you walk sideways."

Crab was shattered and scuttled away to drink himself into forgetfulness.

That night was the occasion of the great Lobster Ball. Lobsters came from far and near for feasting and merrymaking. Only Princess Lobster sat by her father's side, inconsolable. Suddenly, the doors flew open. It was the humble crab.  
Slowly, painstakingly, he made his way to the throne - walking straight, one claw after another. Step by painful step he approached until he looked the King Lobster in the eye.

There was a deadly hush.

Finally Crab spoke up: "F... I'm pissed!"
