MESSAGE FROM THE CHAIRMAN OF BORDER MASTERS WATER POLO

The Border Water Polo fraternity is proud to welcome all participants to this years millennium tournament.

It is particularly pleasing to note the efforts of young and old to make this Tournament a success. From the youngsters at the tables, keeping score; the elder brothers playing in the Border Currie Cup Team doing refereeing duty; the moms and dads manning the kitchen so the bullets from all over the country can enjoy the Tournament. Without all your assistance, the setting up and running of this Tournament would not take place. Thank you.

This Tournament is very different to previous tournaments, as a women's team is participating for the first time. Women's water polo will be played at the Sydney Olympics for the first time in history. This leaves synchronised swimming as the only single gender sport in the Olympics! The subsequent increase in numbers of people playing water polo can only strengthen the game and I hope that more women's teams participate next year.

My very special thanks to the Tournament Committee for their exceptional efforts in making this tournament a success.

Thank you to Richard Smith and Yellow pages for the fantastic sponsorship.

Enjoy your stay, play enjoyable polo and make the most of the facilities provided.

Charl Wessels

PRESIDENT'S REPORT - 2000

Greetings to all and welcome to another Masters Waterpolo Tournament, the first of the new millennium! The tournament promises to be an exciting one with plenty of good waterpolo ahead.

This is the second year that Border will be hosting the tournament and if last year is anything to go by, we have a well-organised weekend ahead of us. The Border Masters Committee did an outstanding job last year providing a most professional, yet enjoyable tournament. I'm sure you all agree with me that East London has tailor-made facilities for a tournament of this nature and I think we should look at keeping the tournament here, as it has been such a success in the past. Not only are the facilities perfect and the town beautiful, but we also have sponsors lined up for next year.

On the note of sponsors, we lost MTN as our main tournament sponsor from last year. The border committee, however, got down to the grindstone and has found a new sponsor, which we are thrilled to say is the YELLOW PAGES. The Yellow Pages have been extremely generous in their contribution to the tournament even though it is a new venture for both them and SA Masters Water Polo. I do believe, that this will only be of benefit to all involved.

Best wishes to all the players. May this weekend be a success and an enjoyable one for all teams, coaches, officials and spectators.

SA Masters President

7. Current International or Provincial "a" players are eligible only for the over 30s category no matter what their age is.

Handicap: The handicap will be one goal for every two complete years difference in the average age of the youngest seven players in the team. A maximum of three goals applies e.g. Team A 38. B 40.6 - No Handicap.
