WELCOME TO CAPE TOWN

*Greetings and welcome to the Mother City for the
15th Annual South African Masters National Water-Polo Championships.*

The Western Province Committee, chaired by Prof. Jimmy de Jager, have put a huge amount of time and effort into this tournament. Let us show them our appreciation by supporting it in the right spirit and with the right amount of decorum.

To all the players from all over the country who have arrived here en masse, particularly to the Croatian visitors, a hearty welcome, good luck, and let's have an enjoyable tournament full of good memories and good attitudes.

Once again, to the travellers from afar, thank you for the effort and the cost to yourselves, of helping us and Western Province make this a memorable tournament.

Good luck to Neville and his committee and may water-polo be the big winner!

*Yours sincerely
NEVILLE CLARENCE
CHAIRMAN SA MASTERS WATER-POLO*

Welcome to the fairest Cape! Welcome water-polo friends of old and visitors from distant lands. Meet and reminisce great battles from a bygone era and compete fiercely once again. Thank you for coming. Your dedication and devotion to water polo has made possible this celebration in the shadow of old Table Mountain.

May much enthusiasm, energy and good spirit liven-up proceedings.

Such special occasion is deserving of only the best by way of facilities and arrangements. The sponsors and organising committee have earnestly endeavoured to make these available for you. Please enjoy the tournament and environment to the full and return home with only happy memories.

Please recognise our many sponsors whenever appropriate. WP Masters and all participants, I am sure, join in gratefully acknowledging their generous contributions.

A special word of thanks goes to each member of the WP Masters Planning Committee. It took much hard work to bring the tournament to fruition and all gave unstintingly of their time and energy. In particular, thank you Neville Davies for a truly remarkable effort far beyond the call of duty.

Good luck! May all play faster and more skillfully than ever before and may many great goals be scored. Let the games begin!

*JIMMY DE JAGER

On behalf of the City of Cape Town I would like to welcome all visitors and participants to the SA Masters Water Polo Tournament held in the beautiful Mother City.

By any standard Cape Town is one of the most beautiful places to visit with fascinating historical sights, sandy beaches, beautiful estates, superior hotels and some of the warmest, most welcoming people you will ever meet anywhere in the world. It is therefore gratifying to note that your organisation invited the Croation and English teams to participate in your tournament. It is my wish that whilst you will be participating competitively in the tournament, you will have sufficient time to enjoy the splendour of Cape Town.

The City of Cape Town is committed to support all forms of sport and to use our infrastructure to promote sport in this part of the country. Accordingly therefore we are extremely proud of the way in which we hosted the rest of the world during the recently held Cricket World Cup. The opening ceremony in Cape Town was the biggest opening ceremony of any Cricket World Cup tournament, something which the City of Cape Town is extremely proud of. You will be staging your tournament during a period where Cape Town is experiencing a boom as far as sports events is concerned. We had the Cricket World Cup taking place here, as well as the Cape Argus Cycle Tour which has just recently completed last week. This cycle tour is the biggest timed cycle event in the world where close onto 30 000 cyclists participate. In addition to the major sports events the City has also embarked on a process of expanding its influence on a cultural sphere. A week after your event we will have the staging of the North Sea Jazz Festival here in Cape Town, which has been a very well attended event in past years. So you can see that the first 4 months of the year in Cape Town is an extremely busy time putting Cape Town on the map, both nationally and internationally. To all the participants I would like to wish you well for the tournament, and trust that whilst this is your first tournament in 9 years it will be the start of a regular event. You are welcome to return to the Mother City anytime.

I wish you well with your tournament.

TOURNAMENT FORMAT AND RULES

A TOURNAMENT RULES

1. AVERAGE AGE

Average age of teams to be the average age of the seven youngest and that age to qualify for the division entered, i.e. average age 35,3 means team enters in 35+ division (this subject to change in consultation with certain teams).

In the above example, players under 35 may still play in the 35+ division due to the fact that the team average age is 35+.

There is no upper age limit in calculating average ages, i.e. a 60-year old can play in the 25+ division and if he is in the seven youngest, his age will be counted.

For every two years difference in average age, a goal will be given to the older team with a maximum of three goals per game. This applies in all games, i.e. round-robin, knockout and finals.

In calculating the goals conceded, below 1,5 difference, goals will be 0; difference 1,5 to 3,0 will be 1 goal; difference 3,0 to 5,0 will be 2 goals and difference above 5,0 will be 3 goals.

2. BORROWING OF PLAYERS

Teams may only borrow players from other teams in the event that they have less than 9 players and then they may only borrow from a team in a lower division than themselves, i.e. a team in the 25+ division can only borrow players from teams in the 35+ and 45+ divisions.

Notwithstanding the above, teams must apply to and get permission from the Tournament Committee in the event of borrowing becoming necessary, and such borrowed players ages shall be entered to recalculate the average age of such team.

If a team does not follow the above procedures, their team will be docked the points for each and every match so illegally played.

3. DECORUM

Players are to note that drinking at the pool will only be allowed in and around the tents provided and no drinking shall be allowed at poolside or in the stands.

Players are to note that the Disciplinary Committee will take strict action against any transgressors including the suspension of such players and even expulsion of such player and/or such teams.

The same decorum is required at all venues organised for functions in the evenings whereby players are to note that at these organised venues, they will still be under the jurisdiction of the Disciplinary Committee.

4. DECISIONS

In case of any dispute, the Tournament Director's decision shall be final and binding.

B TOURNAMENT FORMAT

1. 25+ DIVISION

This division is comprised of 6 teams who will play a Round-Robin format with the top 4 teams entering into a semi-final - 1st versus 4, and 2nd versus 3; with the winners playing each other for the trophy.

The losers in the semi-finals will also play each other to determine 3rd and 4th position and the last two finishing teams will play-off for 5th and 6th.

What we do for retailers.

Accountability is the name of the game at Zoom.
We believe in creating responsible, results-driven,
brand-building advertising for our clients.
Everything we do is measured against performance.
It works. For our clients. And for us.
Our clients grow. We grow. Everybody wins.

If you'd like to talk to one, or some, of our clients yourself,
please get in touch with Ian Farrow on (021) 461-0683 or
ian.farrow@zoomcpt.co.za or Heather Swart on (011) 709-6638
