## MESSAGE FROM THE CHAIRMAN OF BORDER MASTERS WATER POLO

Welcome to all 38 teams that have entered this year's tournament - a record field!

Players that were here in 2000 will notice that there has been a vast improvement to our facilities and infrastructure here in East London. With the S.A. Games nearing commencement in East London, various sporting facilities have been upgraded and improved for competitors and spectators alike.

All monies made at this tournament will be ploughed back into water polo and next season our pools will be even better - of an international standard.

We trust that you will enjoy your stay in East London and that you will experience true South African hospitality, both in the water and out.

**CHARL WESSELS**

Chairman of Border Water Polo

## MESSAGE FROM THE PRESIDENT SA MASTERS WATER POLO

Greetings and welcome to all, to the 16th Annual S.A. Masters Water Polo Tournament.

My best wishes to Charl Wessels and his Border Committee for the successful running of the Championship in East London. After Western Provinces' efforts in Cape Town last year, it will be a hard act to follow. Border have shown however, in two tournaments held here previously, that they are equal to the task.

A big thanks to the players, yet another fantastic attendance of 38 teams.

May you all enjoy the Water Polo and all the other delights East London has to offer, and above all, compete in the best of "spirits".

Yours sincerely

**NEVILLE CLARENCE**

President S.A. Masters Water Polo

## TOURNAMENT FORMAT

The Tournament will be played in three sections:

- \* Over 25's
- \* Over 35's
- \* Over 45's

Within these three groupings, there will be two pools (seeded).

Each team will play every other team in their pool, with one play off game on Sunday. Matches are two periods of ten minutes each, with one minute to change ends.

Handicap: The handicap will be one goal every two complete years difference in the average age of the youngest seven players in the team. A maximum of three goals applies e.g. Team A 38, B 40, 6 2 years difference, for side B, Side B start with 1 goal.
