**Message from the Chairman of Border Masters Water Polo**

Welcome to all the 35 teams that have entered this year's tournament. What a fantastic field! As promised last year, we have improved our facilities with the inclusion of more lights and the provision of a referees' walkway for one pool. These improvements were brought about primarily for the International Women's Tournament that was held in East London in December 2004.

Our immediate aim is to build a clubhouse and storage facility for our equipment in the vicinity of the water pools. All funds made from this tournament will go towards achieving this goal. In this regard, have been very fortunate in obtaining a large sponsorship from Windhoek Light and we wish to thank them most sincerely for their sponsorship. We also wish to thank all our other sponsors for their contributions.

I want to personally thank my committee for all the long hours that they have already put in and are going to put in during the week-end to make this event a successful one.

Finally we thank you, the players, for coming to our lovely city, East London, and trust that you experience true South African hospitality, both in the water and out.

**Nik Kitsopoulos**  
Chairman: Border Masters Water Polo

**Message from the President SA Masters Masters Water Polo**

Greetings and welcome to all, to the 17th Annual S.A. Masters Water Polo Tournament. My best wishes to you and his Border Committee for the successful running of the Championship in East London. After last year's efforts in East London, I look forward to the new sponsorship and upgraded facilities. Border have shown previous tournaments that they are up to the task of putting up a great weekend. A big thanks to the players and another fantastic attendance of 35 teams.

May you all enjoy the Water Polo and all the other delights East London has to offer, and above all, compete in the best of "spirits".

**Neville Clarence**  
President S.A. Masters Water Polo

*Neville Clarence*  
*Colin Robertson*  
*Kevin Keel*

**Tournament Format**

Each team will play every other team in their pool, with one play off game on Sunday. Matches are periods of ten minutes each, with one minute to change ends.

Handicap: The handicap will be one goal every two complete years difference in the average age of youngest seven players in the team. A maximum of three goals applies e.g. Team A 38, B 40, 6 2 years difference, for side B, Side B start with 1 goal.
