 - A players age is determined as at 31 December 2006, according to FINA Masters rules **Shortcut:** Age = 2006 minus year-of-birth
 - The older team receives one goal for every complete two years difference in average age, to a maximum of three goals
- The average age of the 7 youngest players must be over the specified age grouping
- Current International and Provincial A players are eligible for the over 25&35 section only, irrespective of age
- Games missed will be forfeited
