Welcome

Message from The Chairman S.W.D Masters Water Polo 2007

WELCOME TO KNYSNA

I was asked the other day why "old toppers" like us still play Water Polo? And the obvious answer was "because it is fun!" Remember, it is not how well we play, but how we play, that will determine our ultimate enjoyment at the tournament.

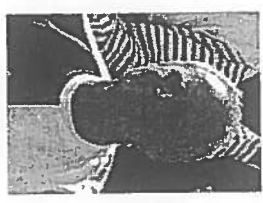

With this in mind, welcome to the 19th. Annual Masters Water Polo Tournament. It is indeed a pleasure for our small little Club in the Southern Cape to host this tournament for the second time, and if all goes according to plan, it will be better and more fun than the last time.

A very BIG thank you to Steve and Lynn Douglas, who have been responsible for 99% of all the effort that has gone into organising this event, and also to the Management of Knysna Quays and all our sponsors for making this tournament possible.

Enjoy the Water Polo, the friendly hospitality of the beautiful Garden Route, and in particular Knysna, and please support our wonderful sponsors

GOD BLESS

NASHUA

A GRANT NAME, A SMALL PRICE

The official supplier of all consumables, printing and office equipment for the S.A. Masters Water Polo Tournament

Acknowledgements

This tournament would not be possible without the hard work and dedication of each person involved with the organization, the planning, the setup and those companies and individuals who have sponsored this amazing event. We could use half this booklet just to thank all of the sponsors, so rather than do that we would like to make a special mention of a few who have made a huge impact on the tournament.

The Kynsna Yacht club for the use of their amazing facilities and for giving us the privilege of becoming temporary members for the duration of the tournament. To Rodger who assisted us with our mini tournament and is responsible for the amazing ladder at the 34 Deg South pool.

The Kynsna Water Front for the use of the venue.

Maponya Developments for their generous contribution and the sponsoring of the event marquee.

Powerade for the free distribution of Powerade the official sports drink for SA Masters 2007.

Midafricam for the live event cam which can be viewed at www.waterpolosa.com and thanks to UNINET for the bandwidth they have provided.

Oakhill Private school for the all the table officials and assistance and use of their pool.

Nashua the professional business partner and office supplier to SA Masters 2007.

Kynsna electronics the official Audio Visual Equipment supplier for the tournament.

Kynsna Primary School for their generous use of their grandstands.

Fruit and Veg City for the free fruit daily for the duration of the tournament.

A very special thank you to 3 generations of generosity Sherlynn Douglas her mom Lynn Douglas, and her mom Jill Walters, who worked extremely hard to personalize each of your bags and made a huge effort to make this the best tournament possible.

The "Goodie Bag Gang" Craig, Alan, Kevin and Dean, who masterminded the production line of humor the odd comment and the fits of laughter made this radical task a fun one.

Last and not least - great thanks to Alan Dando who has been of great assistance throughout the planning of this tournament.
