Proud Event Sponsor of the
21st Annual Masters Water Polo
Tournament,
Cape Town,
20th – 22nd March 2009

Message from the President

Welcome to the 21st Annual SA Masters Water Polo Tournament – our coming of age Tournament!

Cape Town is also a fitting venue for such an auspicious occasion, as it is where the 1st unofficial Tournament was held, during the Masters swimming in 1988, and where the idea of an annual Water Polo Masters Tournament was conceived.

Past tournaments in CT have always been superbly run, and under the guidance of Brett Redelinghuys, old hand Neville Davies, and the rest of the WP Committee, we will once again have a great 3 days of intense competition, in and out of the pool.

Let us once again be a credit to the Hosts in the Spirit in which we participate, as their guests in this magnificent city.

Good luck to the WP Committee for another successful Masters, and to all the Participants, for another enjoyable 3 days of fun in the sun.

Neville Clarence
President, SA Masters Water Polo

Welcome from the WP Chairman and Organising Committee

As Chairman of Western Province Masters and on behalf of the Organising Committee of the 21st SA National Masters Championships 2009 are delighted to extend the warmest of welcomes to all of our competitors and visitors. Cape Town has a long tradition of developing champions in sport and a proud history of successfully staging major sporting events.

We would also like to commend each of the participants for your drive and determination to being a Masters competitor and to lifelong fitness, friendship, understanding and competition. Hopefully, this event will spread the word to many more people around the world to get back in the pool and participate once again. It is amazing to see that 21 years ago when Masters unofficially started that a lot of those players who were there at the beginning are still active and playing today. That is the beauty of Masters!

Please accept our best wishes for an exciting championships and a memorable stay in Cape Town. Good luck in the championships and all your competitive endeavours. We hope you make many new friends along the way.

To all those who have contributed in bringing this event to Cape Town and all those involved in staging it, congratulations on your efforts. Thank you also for the events technical officials, (refs, table and others), who have contributed selflessly to the successful staging of this years tournament.

To our upcountry guests, WP Masters issues you a warm and friendly welcome. United by your love of your sport, I am sure you will achieve personal bests in the water and make marvellous friendships out of it. Enjoy your time in Cape Town!

Yours truly,
Neville Davies
Chairman WP Masters

Rules of the Tournament

The following are the only deviations from the FINA rules.

Teams are handicapped based on the average age of the youngest seven players. A player's age is determined as at the 31st Dec 2009. Therefore Age = 2009 minus year of birth.

Handicap System: The older team receives one goal for every complete two years difference in average age, to a maximum of three goals. This will be recorded on the team sheet and scoreboard **BEFORE** each game.

Examples:

Team A 33y	Team B 34y	(34 – 33 = 1)	No Handicap
Team A 35y	Team B 37y	(37 – 35 = 2/2 = 1)	One Goal
Team A 33y	Team B 38y	(38 – 33 = 5/2 = 2.5)	Two Goals
Team A 33y	Team B 46y	(46 – 33 = 13/2 = 6.5)	Three Goals

The average age of the youngest 7 must be over the specified age grouping.

Games are 2 x 12 min with a 1 min break between halves. Games missed will be forfeited and a 10 – 0 result to the other team. No Time-Outs are allowed. No Extra time.

Points System for the Pool Games

Points for the Pool matches are as follows:

- Win 3pts
- Draw 1pts
- Loss 0pts
- Win by 4 goals or MORE goals = 1 bonus point
- Loss by 2 goal or LESS = 1 bonus point

In the event at the completion of the pool games where 2 teams are on equal points, their position will be determined by:

1. Goal Difference (Goals for less goals against)
2. If Goal Difference is the same then the teams with the most goals for wins
3. If the Goals for are the same then the team with the least goals against wins
4. If they are still equal then the result of the game between the 2 teams will decide the winner
5. If a winner can still not be determined then the number of bonus points will decide the winner
6. If a winner can still not be determined then it will be decided by the flip of a coin.

Competition Format

At the completion of the Pool games (except for the 50+ section), the top eight teams will go through to play the Quarter Finals. This is played on a knockout basis. The 4 winning teams will progress through to the Cup Semi Finals. The 4 losing teams will go through to the Plate Semi Finals. The winners of Semi's will then compete for the Cup or Plate finals respectively.

The 50+ section is divided into A and B sections. The top 4 sides of the A section will go through to play the Cup Finals. The top 4 sides in the B section will then go through to play the Plate Finals.

In the Quarter, Semi's and Final if match ends in a draw there will be a sudden death penalty shoot out to determine the winners.

Discipline

- A player excluded for Dissent or Verbal Abuse of the Refs will have an automatic 1 game suspension and may also be required to appear before the disciplinary committee.
- A player excluded for Violence will have an automatic 1 game suspension and may also be required to appear before the disciplinary committee.
- A player excluded for Brutality will have an automatic 2 game suspension and may also be required to appear before the disciplinary committee.
