MESSAGE FROM THE PRESIDENT

Welcome to the 25th Annual SA Masters Water Polo Tournament in the Cape Winelands in 2013, an historic occasion!

Not only a big milestone, but an ambitious effort planned by an ambitious committee headed by Brett Redelinghuys

This is the first time the Nationals will be held in a Quarry, and in the beautiful setting of the Cape Winelands

This will be the 5th time Western Province are hosting, and we must congratulate them for the vision and bravery in making this attempt, a difficult one in such a challenging venue – I am however confident that Brett and his boys can pull this off successfully

Good luck to the whole WP committee – this promises to be one of the most exciting Nationals ever!

The format is again the same as last year, but with polo starting at 10 am on Thursday, with the AGM at 08h00, the official opening on Thursday evening and completion on Saturday night.

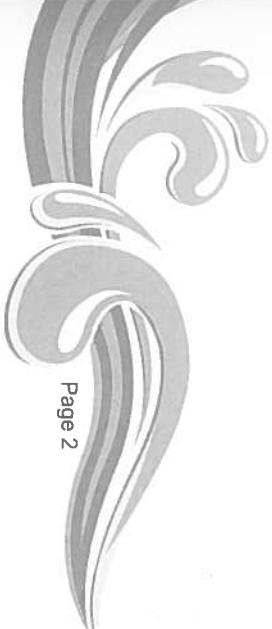

A very exciting addition to the programme is the current US Olympic Polo team playing an exhibition match against a SA select team - well done to the Organisers for pulling off this coup, a fantastic first!

The age groupings are staying the same this year, but changes for next year are on the Agenda, so there could well be changes next year

Let us assist the WP committee by doing justice to their brave effort and hard work, and ensure another successful Nationals!

Let us also continue to be a credit to Masters by keeping up a high standard of behavior throughout the Tournament – time to renew some special friendships, young and old.

Neville Clarence
President, SA Masters Water Polo

RULES OF THE TOURNAMENT

FORMATS

After complaints from the teams after East London regarding the end day of play not being meaningful and that you travel and end up not playing enough, we have tried to follow the World Rugby 7's format where instead of playing for lower order positions we split the groups into Cup, Plate, Shield, and Bowl (if needed).

This ensures that we get to play games that are meaningful – you are playing for a cup, not a position.

It has also ensured that your hard-earned money spent on travel and accommodation is well spent - you get to play more.

It then also ensures that the play-offs are "strength on strength" so the weaker teams also get an opportunity to win and play teams of similar strength.

30+ and 50+ B Section

2 pools of 6 = 5 games.

Top 2 in each pool go into the Cup Semi (4 teams), place 3 & 4 to Plate Semi (4 teams), Places 5 & 6 into the Shield semi = 1 game.

The winners of each semi go to the finals – 1 game.

Therefore each team gets 5 games minimum – the semis get 6 and the finalists get 7.

40+ Section

Two pools of 5 = 4 games.

Top 4 teams plus the best 5th place of the 2 pools then go into a "Top 5" pool – new league and play 4 more games. Bottom 5 do the same = 4 more games.

In the "Top 5 Pool" 1st and 2nd then play Cup final, 2nd and 3rd Plate Final, and in the "Bottom 5 Pool" 1st and 2nd play Shield Final, 3rd and 4th play Bowl Final.

Total for all 4 finalists will be 9 games.

50+ A Section

There are 8 teams so play Round Robin – 7 games.

1st – 4th then play semi's for Cup and Plate – Winners go to Cup final / losers go to Plate Final.

5th – 8th then play semi's for the Shield and Bowl – Winners go to Shield Final / Losers go to Bowl Final.

Total for all finalists will be 9 games.
