## 2020 Tournament cancelled due to COVID-19

Hi All,

With sadness and regret we wish to communicate that on behalf of the organising committee and the executive committee, the Masters 2020 water polo tournament has been cancelled due to the COVID-19 virus.

The executive committee will be meeting to decide on the way forward and any information will be communicated as and when.

Details to follow.

Kind regards  
SA Masters Water Polo

Hi everyone

KZN have offered to withdraw their bid for 2021 in favour of Stellenbosch having to cancel the 2020 event.

Thus 2021 will be in Stellenbosch. Once logistics have been sorted, we will advise all.

@Jared Wingate-Pearse – thanks to you and your team for all the hard work you put into organising this year's event only to have factors outside your control putting a damper on events.

We wish you all the best for 2021.

Please let all your clubs know.
