SOUTH AFRICAN MASTERS WATER POLO

MESSAGE FROM THE PRESIDENT

My commiserations to all those who have suffered or whose loved ones have suffered health wise or financially through the Covid 19 pandemic

My commiserations also to the Stellenbosch boys, Jared Wingate-Pearce and his committee, for the losses they suffered due to the untimely cancellation of the 2020 Masters Tournament, and to the inability of Stellenbosch or Newlands to host the 2022 Tournament, after the 2021 cancellation.

Hopefully all of us live to fight another day, and in this regard I welcome you all to another Durban Masters - the 32nd Annual SA Masters Water Polo Tournament, 34 years after the 1st.

As we know the Durban boys always put on a great show and it is with confidence that I say good luck to Donn Stewart and his committee for another cracker of a Tournament.

This years format sees another change with the introduction of an "Open" section, and a shift in the other age groups, plus the doing away with Borrowed players, an issue which has been a source of contention over the years.

The age groupings start after Open, at 35+, also a shift to ensure adequate representation in all groups.

No doubt the age groupings will again change for the next Tournament, also in Durban, once everything has settled down and we are in full swing again.

Entries, despite Covid, are at the 40 mark so it appears everyone is champing at the bit to resume competition.

Let us all support Donn and his team to the best of our ability by playing in the right spirit!

Once again - a time to renew young and OLD friendships.

And I hope you don't need reminding that with Covid strains still prevalent, we all need to continue following safety protocols

Good luck to all for an enjoyable Tournament!

Neville Clarence

President, SA Masters Water Polo
